## Drug Utilization Review and Pharmaceutical Care Claim Submission Examples

The following table provides Drug Utilization Review (DUR) and Pharmaceutical Care (PC) service claim submission examples. With the enhancement to the pharmacy Point-of-Sale system, providers may submit a response to a DUR alert *and* a PC service in the same transaction. Refer to the Drug Utilization Review and Pharmaceutical Care section of the Pharmacy Handbook for explanations and additional information about the following service codes. Providers may also refer to the revised Wisconsin Medicaid Companion Document to HIPAA Implementation Guide: NCPDP 5.1 (Rev. 6/9/05).
